LIGHTBOXES

SIMPLY ILLUMINATING

A BRILLIANT **RANGE OF TWO** EYE CATCHING LIGHTBOXES CONSTRUCTED IN TOUGH YET LIGHTWEIGHT ALUMINIUM CASES. CHOICE OF **SOPHISTICATED EDGE LIT TECHNOLOGY** WALL MOUNTED OR FLOOR STANDING ON A FRAME. SYSTEMS OFFER A **RAPID ACCESS FRONT LOADING** GRAPHIC CHANGE FACILITY.

FEATURES

- EOS lightboxes feature impressive 48mm deep aluminium cases combined with sophisticated edge illumination technology offering an even spread of light
- Three poster sizes are available in the EOS wall mounted range; A0, A1 and A2
- Two poster sizes are available in the EOS floor standing range; A1 portrait and A0 landscape
- Pre-drilled holes are cut in the back of the frame for wall mounting
- Floor standing comes mounted on the frame
- Both Lightbox ranges feature snap frame style front opening which allows easy change of transparencies without removing the units from the wall or frame
- Pre cut wall mounting holes are on cut into the rear panel of both lightboxes
